Food & Distribution

Quality you can trust, Design you will love

PGP Glass USA is the leader in glass packaging solutions for the Specialty Liquor, Beauty, Pharmaceutical, and Food & Distribution industries. Our multiple state of the art molded glass plants produce industry standard & unique shelf stock and custom containers for both local and global markets. Additionally we provide a variety of innovative decorating processes tailored to service our diverse customers. We offer digital product and engineering services that will take your design from concept to delivery. Our aim is to earn our customers trust and respect in order to become their of vendor of choice.

Why PGP Glass

Shelf Stock bottles

- Extensive high-quality range with custom packaging capability

Customer Design bottles

- Experienced Engineering staff to take your design from concept to delivery

Glass Manufacturing Excellence

- Engineering and Bottle Makers centrally located

Decoration Services

- Variety of innovative decorating services to complement our glass bottles

Robust Quality Inspection

- Visual and automatic inspection for complex designs

State of the Art Manufacturing Infrastructure

- Sustainability focused & local social initiatives

Ultra-Premium Bottle Manufacturing on Rotary Machines

- Thick base and small quantity capable

Global Logistics

- Ability to make direct worldwide shipments

United States Warehouse Locations

- Dayton & Burlington, NJ
- St Louis, MO
- San Bernardino, CA

Fired by imagination.

12 oz. Fluted Dressing Bottle

A cylindrical bottle featuring a fluted sloping shoulder and wide mouth. Commonly used for salad dressing and marinades.
